

Logging Into Google Drive and Google Classroom from Home

1. Go to the SES Kids Tools page at ses.rsu20.org/technology/kids-tools, and select the Google service you want to use.

2. At the login screen, they will enter their username and their password.

- Username: all student usernames are determined by the following formula: last name, first initial, last two digits of graduation year (with no spaces, punctuation, or capital letters), followed by @rsu20.org. So, Pamela Purple in fifth grade's username is purplep24@rsu20.org.

- Password: Students will use their full student ID number as their password. Your child's teacher can get you this password.

A screenshot of a login screen for Google Classroom. At the top is a grey circular placeholder for a profile picture. Below it is a text input field containing the username "purplep24@rsu20.org". Underneath the input field is a blue button labeled "Next". At the bottom right, there is a link that says "Find my account".

Username

A screenshot of a password login screen for Google Classroom. At the top left is a back arrow. To its right is a blue circular placeholder for a profile picture. Below the placeholder is the username "purplep24@rsu20.org". Underneath is a text input field labeled "Password". Below the input field is a blue button labeled "Sign in". At the bottom left, there is a checked checkbox followed by the text "Stay signed in". At the bottom right, there is a link that says "Forgot password?".

Password

3. Voila! You're in!
